

University of Oklahoma College of Medicine

Patricia Price Browne Prize in Biomedical Ethics

Ezekiel J. Emanuel, M.D., Ph.D. - 2022 Recipient

Ezekiel J. Emanuel is the Vice Provost for Global Initiatives and the Diane v.S. Levy and Robert M. Levy University Professor, Co-Director of the Health Transformation Institute. From January 2009 to January 2011, he served as special advisor for health policy to the director of the Office of Management and Budget in the White House. From 1997 to 2011, he was chair of the Department of Bioethics at the National Institutes of Health. He is also a breast oncologist.

Dr. Emanuel received his M.D. from Harvard Medical School and his Ph.D. in political philosophy from Harvard University. After completing his internship and residency in internal medicine at Boston's Beth Israel Hospital and his oncology fellowship at the Dana-Farber Cancer Institute, he joined the faculty at Harvard Medical School. He has since been a visiting professor at UCLA, the Brin Professor at Johns Hopkins Medical School, the Kovitz Professor at Stanford Medical School and visiting professor at New York University Law School.

Dr. Emanuel has written and edited 15 books and over 300 scientific articles. He is a regular guest on CNN and MSNBC, and often publishes pieces in the New York Times, The Atlantic, and the Washington Post.

**Dr. Emanuel will receive the Prize and present Pediatrics
Grand Rounds “Allocating Scarce Medical Resources: Lessons from COVID”
