

CLINICAL NEUROPSYCHOLOGY POSTDOCTORAL RESIDENCY PROGRAM TABLES

Postdoctoral Program Admissions

Date Program Tables are updated: 10/8/2019

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The University of Oklahoma Health Sciences Center Residency in Clinical Neuropsychology is a two-year specialty training program which includes didactic, clinical, and research activities. The program is accredited by APA as a Residency in the Specialty of Clinical Neuropsychology. The program conforms to the Houston Conference Guidelines for Training in Clinical Neuropsychology. It is also a member of APPIC.

Describe any other required minimum criteria used to screen applicants:

Applicants must have completed all requirements of an APA-approved doctoral program in clinical or counseling psychology, a one-year APA accredited clinical internship and be a US citizen for the general adult track. Applicants from outside the United States or Canada, on a case-by-case basis.

CLINICAL NEUROPSYCHOLOGY POSTDOCTORAL RESIDENCY PROGRAM TABLES
